English as an International Language

(Curriculum B.E. 2556)

Elective Courses

Course descriptions

2010521   Methodology of English Language Teaching   3(3-0-9)
        METH ENG LANG TCH

Methods of English language teaching; design of classroom activities for different language skills; application of educational media and technology; instructional evaluation and planning

2010522   English Curriculum Development   3(3-0-9)
        ENG CUR DEV

Theories of curriculum development; processes of constructing English language curriculum; development of English language curriculum; analysis and evaluation of English language curriculum

2010532   Research Methods in Language Assessment and Evaluation   3(3-0-9)
        RES METH LANGAS

Research methods in language assessment and evaluation; quantitative and qualitative research; research analysis and interpretation

2010610   English Phonology   3(3-0-9)
        ENG PHONOLOGY

The phonological system of the major varieties; issues in English phonology; different systems of transcription

2010611   English Syntax   3(3-0-9)
        ENG SYNTAX

Basic concepts in syntax; analysis of English data to identify these concepts within selected theoretical frameworks

2010612   English Lexicology   3(3-0-9)
        ENG LEXICOLOGY

Basic concepts and theoretical approaches in lexicology; English word structures; various types of word formation in English: inflection, derivation and compounding

2010613   English Semantics and Pragmatics   3(3-0-9)
    ENG SEMAN/PRAG

Basic concepts and theoretical approaches in semantics and pragmatics; various types of meaning in English; lexical relations; sentential meaning; meaning and context; utterance interpretation and analysis

2010614   English Discourse Analysis   3(3-0-9)
    ENG DISCOURSE ANA

Basic concepts and theoretical approaches in discourse; components, structures and types of discourse; English discourse and conversational analyses

2010615   History and Development of the English Language   3(3-0-9)
    HIST DEV ENG LANG

A diachronic study of phonological, grammatical and lexical development of English

2010618   Englishes of the World   3(3-0-9)
    ENG WORLD

History and conceptualization of world Englishes; selected major varieties, their users and uses; shared and non-shared features at various linguistic levels

2010621   Materials Development for Teaching English as an International   3(3-0-9)
    Language
    MAT DEV TEIL

Concepts in material preparation; selection of different materials; application of language instructional materials; analysis and evaluation of materials for English language instruction

2010623   Computer-assisted Language Learning   3(3-0-9)
    COMP LANG LEARN

Concepts, techniques, design and development of computer-assisted language learning; criteria for selection; application and evaluation of lessons using computer-assisted language learning

2010630   Quantitative Research in Language Assessment and Evaluation   3(3-0-9)
    QUAN RES LANGAS

Quantitative research methods in language assessment and evaluation: research design, data collection techniques, statistical inference, data analysis and interpretation

2010631   Qualitative Research in Language Assessment and Evaluation   3(3-0-9)
    QUAL RES LANGAS

Qualitative research methods in language assessment and evaluation: research design, data collection techniques; data analysis and conclusion of the results

2010632   Experimental Design and Statistics for Applied Linguistics   3(3-0-9)
          EXPD STAT APP LING

Application of statistical methods and research design in Applied Linguistics: designs, procedures, data analysis and interpretation

2010633   Classroom-based Assessment and Evaluation   3(3-0-9)
          CLASS AS/EVA

Research studies in classroom-based assessment and evaluation; analysis of methodological issues

2010634   Teacher Evaluation in English as an International Language   3(3-0-9)
          TCH EVA EIL

Teacher evaluation in English as an International Language in various aspects: curriculum design, material development, teaching methods, assessment and evaluation

2010635   Evaluation of Language Programs   3(3-0-9)
          EVA LANG PROG

Language curriculum theories; language curriculum evaluation; techniques of curriculum analysis

2010636   Project and Program Evaluation in English as an International   3(3-0-9)
          Language
          PROJ PROG EVA EIL

Evaluation of projects and programs in English as an International Language; analysis and critiques of selected research projects

2010710   English Applied Linguistics   3(3-0-9)
          ENG APP LING

The nature of the English language: system, structure, variability, and functions; the development of language acquisition theories and its influence on the approaches and methods of English language teaching; trends in English applied linguistics

2010713   Interlanguage Study   3(3-0-9)
          INTERLANG STUDY

Contrastive analysis, error analysis, and interlanguage study; developmental and dynamic aspects of language learning problems; interlanguage and communicative needs

2010714   Language Planning and Policy   3(3-0-9)
          LANG PLAN/POLICY

Principle motivations for language planning and policy; states and processes of language planning and policy in various countries; diversity in language planning and policy

2010715 **Bilingualism and Multilingualism** 3(3-0-9)
 BI/MULTILING

Monolingual and bilingual speakers; language contact and linguistic interference; code-switching; multilingualism and multiculturalism; bilingual education; immersion and submersion language teaching programs

2010716 **Current Trends in English Linguistics** 3(3-0-9)
 CUR TREND ENG LING

Current issues and trends in English linguistics

2010717 **Seminar in English Linguistics** 3(3-0-9)
 SEM ENG LING

Approaches and methodology in English linguistics; research on topics of interest

2010718 **Seminar on Selected Topics in English Linguistics** 3(3-0-9)
 SEM SELEC ENG LING

Selected issues in English linguistics

2010719 **Individual Study in English Linguistics** 3(0-0-12)
 IND STUDY ENG LING

Individual study in English linguistics

2010721 **Teaching English for Specific Purposes** 3(3-0-9)
 TCH ESP

Analysis and application of theories of teaching English for Specific Purposes; curriculum development of teaching English for Specific Purposes; trends in teaching English for Specific Purposes and related research

2010722 **Principles of Task-based Language Teaching** 3(3-0-9)
 PRIN TASK LANG TCH

Theories of task-based language teaching; application of theories in the classroom; design of task-based activities; measurement and evaluation of task-based language teaching

2010723 **Principles of Skill-based Language Teaching** 3(3-0-9)
 PRIN SKIL LANG TCH

Theories of skill-based language teaching; application of theories in the classroom; design of skill-based activities; measurement and evaluation of skill-based language teaching

2010724   **Technology in Language Instruction**   3(3-0-9)
         TECH LANG INS

Concepts, roles, and development of technology in language instruction; types and criteria for media selection; application and evaluation of instructional media; trends of technology in language instruction

2010725   **Supervision and Training of English Language Instruction**   3(3-0-9)
         SUP TRAIN EL INS

Principles of supervision; roles of supervisors; specific techniques for supervision and training on English language teaching; analysis of objectives and classroom activities; instructional observation; study of supervisory tasks and training management

2010726   **Current Trends in English Language Instruction**   3(3-0-9)
         CUR TREND EL INS

Current issues and trends in English language instruction

2010727   **Seminar in English Language Instruction**   3(3-0-9)
         SEM EL INS

Problems in English language instruction; factors influencing English language instruction; approaches in English language instruction management; application of English teaching techniques and related research

2010728   **Seminar on Selected Topics in English Language Instruction**   3(3-0-9)
         SEM SELEC EL INS

Selected issues in English language instruction

2010729   **Individual Study in English Language Instruction**   3(0-0-12)
         IND STUDY EL INS

Individual study in English language instruction

2010730   **Advanced Statistics in Applied Linguistics**   3(3-0-9)
         ADV STAT APP LING

Advanced statistics in Applied Linguistics: principles, methodologies, data analysis and interpretation; application of statistical computer programs to research

2010731   **Microanalysis in Language Assessment and Evaluation Research**   3(3-0-9)
         MICRO LANGAS RES

Microanalysis of research reports in language assessment and evaluation: their theories,

methodologies and applications

2010732   **Language Assessment and Evaluation on English for Specific Purposes**   3(3-0-9)
          LANGAS ESP

Overview of language assessment and evaluation for English for Specific Purposes; analysis of communicative and linguistic needs of specific groups of learners; assessment and evaluation of ESP courses

2010733   **Application of Technologies to Language Assessment and Evaluation**   3(3-0-9)
          APP TECH LANGAS

EIL software evaluation; applications of technologies to language assessment and evaluation; computerized language assessment and evaluation of Information Technology tasks

2010734   **Evaluation of Innovation in English as an International Language**   3(3-0-9)
          EVA INNO EIL

Evaluation of innovation in materials, tasks, formal and informal instruction; means of assessment and evaluation in English as an International Language

2010736   **Current Trends in Language Assessment and Evaluation**   3(3-0-9)
          CUR TREND LANGAS

Current issues and trends in language assessment and evaluation

2010737   **Seminar in Language Assessment and Evaluation**   3(3-0-9)
          SEM LANGAS

Issues in language assessment and evaluation

2010738   **Seminar on Selected Topics in Language Assessment and Evaluation**   3(3-0-9)
          SEM SELEC LANGAS

Selected issues in language assessment and evaluation

2010739   **Individual Study in Language Assessment and Evaluation**   3(0-0-12)
          IND STUDY LANGAS

Individual study in language assessment and evaluation

2010741   **Directed Readings in English Linguistics**   3(0-0-12)
          DIR READ ENG LING

Reading and discussion of selected English linguistic topics of the student's interest

2010742   **Directed Research in English Linguistics**   3(0-0-12)
          DIR RES ENG LING

Research on a specific English linguistic topic of the student's interest

2010751   Directed Readings in English Language Instruction   3(0-0-12)
      DIR READ EL INS

Reading and discussion of selected English language instruction topics of the student's interest

2010752   Directed Research in English Language Instruction   3(0-0-12)
      DIR RES EL INS

Research on a specific English language instruction topic of the student's interest

2010761   Directed Readings in Language Assessment and Evaluation   3(0-0-12)
      DIR READ LANGAS

Reading and discussion of selected language assessment and evaluation topics of the student's interest

2010762   Directed Research in Language Assessment and Evaluation   3(0-0-12)
      DIR RES LANGAS

Research on a specific language assessment and evaluation topic of the student's interest

2010811   Thesis   12 Credits
      THESIS

2010828   Dissertation   48 Credits
      DISSERTATION

2010894   Doctoral Dissertation Seminar   S/U
      DOC DISSERT SEM

2010896   Comprehensive Examination   S/U
      COMPREHENSIVE EXAM

2010897   Qualifying Examination   S/U
      QUALIFYING EXAM

2202521   Applied English Linguistics in the Digital Age   3(3-0-9)
      APP ENG LING DGT

The concept of multimodal literacy; second language acquisition theories as applied in the context of multimedia learning environments; the language of computer-mediated communication; analysis of linguistic and non-linguistic features found in various digital media for English language teaching and learning

2202522   English Corpus Linguistics   3(3-0-9)
      ENG CORPUS LING

Basic concepts in corpus linguistics; use of corpora for studies in English lexis, grammar, phraseology, pragmatics and discourse analysis

2202523   English Grammatical Structure   3(3-0-9)
      ENG GRAM STRUCT

English components; analysis of English sentences produced by native and non-native speakers

2202524   Socio-cultural Aspects of English   3(3-0-9)
      SOC CULT ASP ENG

Culture of English-speaking countries; world views of English speakers; language use in social and cultural contexts; social variation of English; varieties of English: dialects, styles, and registers; standard and non-standard English

2209604   Language Acquisition   3(3-0-9)
      LANG ACQ

Language acquisition theories: behaviourism, rationalism, cognitivism, and functionalism; the acquisition of forms and the acquisition of meanings and functions; first, second, and foreign language acquisition; language processing

2241599   Theories and Research in Translation   3(3-0-9)
      THEO/RES TRANS

Discussion on translation theories; research in translation

2725610   Foundation of Language Instruction   3(3-0-9)
      FOUND LANG INST

Principles and theories of English language teaching and learning; approaches in language instruction; application of teaching techniques; trends and innovations in English language instruction and related research

2725611   Multimedia for English Language Instruction   3(3-0-9)
      MULTIMED ENG INST

Theories and applications of multimedia and electronic media for English language instruction; implementation of multimedia-assisted English language activities inside and outside classrooms; related research

2725612   Computer- Mediated Communication for English Language Instruction   3(3-0-9)
           COMP/MED ENG INST

Principles and concepts of Computer-mediated communication for English language instruction; applications of CMC technology in teaching English; related research

2725613   Multilingual Education for English Language Instruction   3(3-0-9)
           MULTILING ENG INST

Principles of multilingual education; teaching techniques and strategies in content and language integrated learning classrooms; related research

2725614   Language Use in Contexts for Teaching English as an International   3(3-0-9)
           Language
           LANG USE TEIL

Analysis of teaching language use in contexts; intentional acts of speakers; understanding and misunderstanding   between interlocutors; application in teaching English as an international language; related research

2725615   Cultural Perspectives in Teaching English as an International Language   3(3-0-9)
           CULT PERSP TEIL

Intercultural communication; principles of TEIL; application, practice and perspectives of TEIL in various dimensions; related research
